

BQ AquaShield External Membrane Installation Guide

Demo Installation Guide – For BuildQuote demonstration only. Always refer to the manufacturer's official installation guide.

Applications: Balconies, podiums, planter boxes, terraces and below-slab waterproofing.

Components: 4mm SBS membrane roll, AquaShield Primer 4L, Self-Adhesive Detail Tape.

Installation: Prepare substrate, apply primer, position membrane, torch bond evenly, overlap sheets, seal penetrations and inspect completed work.

Compliance: Representative guide only. Refer to AS4654.2 and manufacturer documentation.
